

Invitation to WFUMB 2011 – Register by June 15 and save!

Dear Colleagues,

It is our great pleasure to invite you to the **WFUMB 2011 Congress** in Vienna, Austria. WFUMB 2011 is the **unique** joint meeting of the 13th World Congress of the World Federation for Ultrasound in Medicine and Biology (WFUMB), the 23rd Congress of the European Federation of Societies for Ultrasound in Medicine and Biology (EFSUMB) and the 35th Joint Meeting of the Austrian (ÖGUM), German (DEGUM) and Swiss (SGUM) Societies for Ultrasound in Medicine. Thus, whether you are a dedicated specialist in ultrasound or a novice with an interest in learning more on all subjects of ultrasound, you should visit Vienna and attend this important event – **“connecting the world of ultrasound”**.

The educational and scientific programme is now available online. A focused educational programme offers 11 full day Categorical Courses on Friday, August 26, 2011. Of these, Emergency US, US of the Breast, new US-techniques, Paediatric US, Musculoskeletal US, US in Oncology and US of the GI Tract are going to be delivered in English, accompanied by 4 Categorical Courses in German. One-day Categorical Courses may be booked separately. Refresher Courses and Live Scanning-Workshops will be offered to please all, beginners to experts in US imaging, from Saturday to Monday. Hands-on learning is presented in various lectures including the use of modern US simulators. 600 speakers will deliver lectures in 11 Categorical Courses, 90 Refresher Courses, 100 live scanning workshops, 37 scientific sessions and 300 poster presentations. The educational and scientific programme is complemented by a large technical exhibition, representing all major companies. Visit the [Programplaner](#) on the WFUMB 2011 website www.wfumb2011.org to find the topics of **your specific sonographic interest**.

We invite you to take some time off to visit the beautiful city of Vienna, located in the heart of Europe, to enjoy its atmosphere, explore the historic centre, and discover its art and architecture. The climate at the end of August promises to be a perfect one to go experiencing the city. The official Social Programme will offer enough time for interdisciplinary communication.

Register by June 15, 2011 and save up to 33% on registration fees.

We look forward to welcoming you to Vienna.

Univ. Prof. Prim. Dr. Gerhard Mostbeck
